

Welcome to the Neighborhood

Since 1958, Sparkman Club has offered the residents of Sparkman Club Estates a small town within a big city. Situated on a few square miles in Northwest Dallas, this middle class neighborhood offers a community pool, a well-maintained playground, and a safe place to raise a family. In fact, many of our neighbors grew up in Sparkman and returned here to raise their own families.

Sparkman Club is not a homeowners association. We are a private, community club open to residents who live within the club's boundaries. In addition to a pool and tennis courts, the club offers holiday parties and other events throughout the year, a summer swim team for kids from age 5-17, and a legendary July 4th celebration that attracts patriots from across the city. We also provide members with special members-only rates on rentals of our newly remodeled Clubhouse.

Thank you for taking the time to visit our website. Poke around a little, check out our events calendar and photo gallery, and if you want to know more, visit our membership page.

Sparkman Patrol

Sparkman Extended Neighborhood Patrol (ENP) is a voluntary program that brings a layer of safety to Sparkman neighborhood. Sparkman ENP program provides uniformed, armed off-duty Dallas police officers that patrol our neighborhood in marked Dallas police cars. The objective of the program is to deter crime in our neighborhood by **proactive** rather than reactive policing. The program is optional and there are annual membership dues to fund the additional patrols. The program has been in existence since 2005 and was started by a Sparkman resident.

Sparkman Patrol Membership Benefits:

Sparkman Patrol Officer Cell Phone

This is a dedicated cell phone with voice mail for our patrol officers to use solely for Sparkman Patrol. You will receive this number to report suspicious activity, request assistance, report a past incident, or to notify the officer you will be out of town.

Monthly Crime Alert Emails sparkmanpatrolnp@gmail.com (mailto:sparkmanpatrolnp@gmail.comMembers)

Members (mailto:sparkmanpatrolnp@gmail.comMembers) will receive emails about crime activity and tips on a monthly basis. These alerts keep the members informed of what is happening in the neighborhood. Alerts are derived from reported incidents via members, other neighboring crime watch committees and the police department.

Out of Town Notification

Members may submit an out of town notification with the patrol officer via cell phone voice mail. When out of town, the officer will pay extra attention to your home to ensure there are no visible signs of trouble. They will check your home at the start of their shift and at the end of their shift.

Sparkman Patrol Signage

Members may purchase yard or alley signs with the Sparkman Patrol logo. These signs will indicate that you are a member of Sparkman patrol. This will help officers locate your home easier, act as a crime deterrent and show support of the program.

Membership Eligibility

- Must reside within the Sparkman Club Estates boundaries
- Must pay the minimum annual dues of \$150 per family per year or minimum senior dues of \$90 per year. Full membership dues are \$250.

Where your money goes

...Sparkman Patrol contracts with the city on a yearly basis and pays the officers' hourly rate, patrol car rental, website fees, cell phone service and other miscellaneous expenses. Membership dues, sign sales, and various fundraising events fund these costs.
